RACE DAY PACKET PICKUP

Packet Pick-Up will be available on race day at Elmwood City Park in Elmwood, Nebraska. We STRONGLY encourage you or a friend to pickup your packet in advance if possible.

THE PACKET: RACE ENVELOPE & PARTICIPANT SHIRT

At Packet Pickup, you will receive a race envelope packet that contains your race bib (which also doubles as your timing chip) and safety pins. The bib should be worn on the front of your chest on your outer-most layer of clothing. You will also receive your official participant shirt.

SHIRT EXCHANGE

Participant shirt exchange will be available on event day at the after party at the Firehall at the merchandise tent.

CAN A FRIEND PICK UP MY PACKET FOR ME?

Yes! We currently allow you to pick up packets for as many friends as you'd like at advanced packet pickup. Please just know their bib #. If this privilege is abused, we will be forced to ask for photo ID and proxy forms. Please don't abuse this and give a bib to someone that didn't register. These runners are considered bandits and are a major liability to us. Failure to comply will result in disqualification of all offending parties from the current race and a ban for the following year.

NO CONFIRMATION OR ID REQUIRED

We currently do not require photo ID or official confirmation to pickup your packet for this event as long as this privilege is not abused. Simply know your bib# that was sent to you in a pre-race email or you can look up your bib# when you arrive at packet pickup.

BRIN SERIES RUNNERS

Make sure to congratulate runners completing the BRIN Running Series powered by Blue Cross and Blue Shield of Nebraska! These runners have a special orange race bib to signify they ran all three BRIN Series 10K's and will earn a special completion medal once they cross the finish line.

RUNNER SAFETY

COURSE MEDICAL RESOURCES

In an emergency, call 911. Medical resources are available at the start and finish line who can offer assistance as needed. If you need assistance, please notify the nearest medical personnel or event volunteer. There are water stations located on the course to keep you hydrated.

DROPPING OUT OF THE RACE

We want all runners to have an amazing running experience, but we know that sometimes it's "just not your day." Listen to your body and do not continue running if you experience symptoms that are not familiar to you. If you are unable to continue or finish the race, ask the nearest race official for assistance. If you are feeling ill on race morning, stay home. There's always next year and your health and our community health is more important. Please note, our race staff and volunteers are not allowed to transport runners in their personal vehicles. Unless you have a true medical emergency, you may be asked to call for a ride.

DANGEROUS WEATHER ON RACE DAY

We want the race to happen just as much as you! We'll do everything in our power to have things go off as scheduled. That being said, safety is of the utmost importance. Dangerous conditions are always a possibility and may cause us to delay, modify or even cancel the event. In such cases, participants will be notified of any event updates and given instructions via text, social media, and email channels as well as in-person channels such as PA announcements, Event Alert System signage, or event staff or volunteers.

LOST & FOUND

Lost & Found on race day will be located inside the Pink Gorilla Events headquarters tent at the start line. After the race, make inquiries at ask@pinkgorillaevents.com

TRAIL ETTIQUETTE

Remember to be a courteous runner on the trails:

- Run on the right side, except to pass
- Please only run two wide
- We strongly encourage a headlamp for safety
